On the post that you want to respond to, click **Follow Up**

You're well on your way! Click **Next** for the next step.

2 of 3

Type your followup in the box or click to select one of the Smart Replies. To choose if a participant must respond or not, check the **Require Reply** box at the bottom left. For example, if the question asks for more detail - you would probably like to require the participant to answer. Whereas, if you were just saying "Thanks!" you do not need a reply from the participant.

What was this experience like?

Could you tell me more about that?

Thanks for your response, Eric G!
