From your project dashboard, click on the project you want to see responses to. Also from here, you can see the number of posts, participants, and open events on the overall project.

You're well on your way! Click **Next** for the next step.

Next, click the View Event button for the activity that you wish to see. The schedule for the activity, number of posts, and users on the event are also displayed here.

Event Name	SCHEDULE	POSTS	PARTICIPANTS	View Event
Help Docs		0	0	View Event
Help Docs		0	0	View Event
Enabling Permissions Demo		0	1	View Event
