

Notification Preferences

Last Modified on 12/03/2020 5:05 pm EST

1 of 3

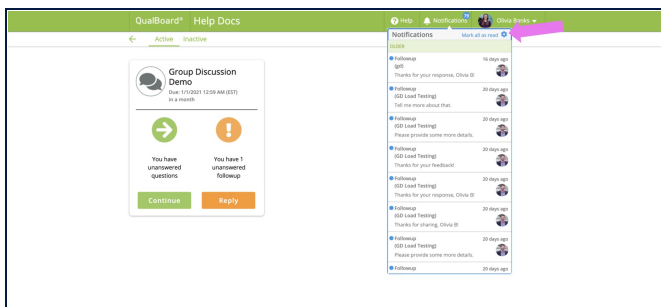

To view your notification preferences, start by clicking the "Notifications" button.

You're well on your way! Click **Next** for the next step.

2 of 3

Next, click on the Settings icon to go to your notification preferences.

3 of 3

Finally, use the toggle buttons to choose which notifications you want turned on or off for email and text notifications.
