1 of 4

If you try to enter a video chat and your camera or microphone aren't enabled, you'll receive this error message at the top of the screen.

You're well on your way! Click **Next** for the next step.

2 of 4

If Firefox prompts you to "Allow" your camera and microphone, click "Allow".

3 of 4

If the message doesn't automatically appear or you clicked don't allow, you can click the small camera and microphone icons to allow access.
