

Viewing an Event

Last Modified on 04/05/2024 8:27 am EDT

1 of 4

From your project dashboard, click on **the project you want to monitor**.

You're well on your way! Click **Next** for the next step.

2 of 4

Next, click the **View** button for the event that you wish to see. Also displayed here is the schedule for the event, number of posts, and users on the event.

3 of 4

You will land on the responses page. This will display all responses for the Group Discussion. You can filter to specific posts using the filter bar on the left.

To quickly jump to a question, use the question list on the bottom left hand side.
