

# Auto Invite for Events

Last Modified on 07/05/2024 11:10 am EDT

1 of 5

From the Users area of the system, use the drop down arrow button next to the "Add Users" and select "Configure Auto-Invite."

---

You're well on your way! Click **Next** for the next step.

2 of 5

When making your selections for who is added to the event, you can choose participants who have any, all, or none of the group tags.

---

3 of 5

You will then select the group tags to complete your invite rule.

---

*4 of 5*

When you have finished making selections, click Finish.

---

*5 of 5*

After you hit finish, you will see your participants appear!
