

Answering a QualLaborate Question

Last Modified on 06/27/2024 10:04 am EDT

1 of 9

When you come across a QualLaborate that you need to complete, start by clicking the "Proceed to QualLaborate" button.

You're well on your way! Click **Next** for the next step.

2 of 9

If you are asked to complete a First Impression, you will see the instructions on how to do so. Once you are ready to answer the First Impression, click "Okay"

3 of 9

To complete a First Impression, select an emoji from the left side of the screen and then explain why you chose that emoji in the comment section. When you're done, click "Save First Impression"

4 of 9

After you read the instructions on how to Markup your canvas, click "Begin"

5 of 9

To complete a Markup, first select the emoji that relates to the area of stimuli you are commenting on.

6 of 9

Then click on the area of the image you are referring to, leave a comment of why you chose it, and then click "Save"

7 of 9

To complete a Highlight, first select the tool that relates to the area of stimuli you are commenting on.

Click and drag on the area of the stimuli that you are referring to, leave a comment of why, and then click "Save"

When you have completed all of your Markups and Highlights, click "Save & Finish Markup"
