

How to Order Additional Recordings of a QualMeeting Interview

Last Modified on 03/12/2024 2:00 pm EDT

1 of 5

To get additional recordings of the video chat that feature only specific users, go to your video chat event and click "+ New Layout". Also note, this will only impact the video portion of the recording. You will still have additional user's audio.

You're well on your way! Click **Next** for the next step.

2 of 5

Select which layout you'd prefer. **Grid** layout is for two or more users. **Individual** is for only one user.

3 of 5

Select the user(s) that you want the recordings of. Once you are finished, click "Finish."

4 of 5

After you've selected the views you want to see, you will get a confirmation message that your request went through. Once the recordings have been processed, the thumbnail will appear in the bar above the video chat.

5 of 5

Click on the thumbnail to see your new video composition. Insights, Audio, Transcriptions, and SmartClips will all be the same- only the video feed will change.
