

Responding to a video AI Moderated section

Last Modified on 02/23/2026 4:45 pm EST

1 of 7

Before every AI Moderated section, you'll see a notice informing you that you're about to interact with an AI Interviewer. Once you're ready to begin, click **Start**.

You're well on your way! Click **Next** for the next step.

2 of 7

Before beginning, select the microphone and camera you want to use for the interview. Once you're ready, click **Start**.

3 of 7

All messages from the AI Interviewer will appear on the left side of the screen. You will hear the question and will be able to read the question.

4 of 7

While you're responding to the AI Interviewer, you'll see that the is listening to your response.

5 of 7

After your response, the AI Interviewer may take a few seconds before asking another question. During this pause, you'll see that the interviewer is thinking.

6 of 7

After answering all of the questions, you'll see a completed screen. Wait on this screen until your recording fully uploads.

7 of 7

After answering all of the questions, you'll see a completed screen. If you have more sections to go through you can click **Next Section** to continue or you can return to your dashboard.
